

## Getting to the Studio:

The studio address is 1001 E 2nd Street Dayton OH. If you're using GPS it may be easier to run your directions to the Intersection of East 2nd St and Dutoit Ave, 45402. That will put you right by the parking lot you'll want to park in.

You'll want to in the parking lot in between the 100 and 300 buildings (these markings are painted on the corners of the building):
